¹ In keeping with the reorganization of the CDC, the Appropriations Committee required that CDC pull non-programmatic funds out of the Centers. This reduced NCHS levels from \$150 million to \$109 million. This \$109 million includes a \$19 million increase requested in the President's budget.

² The budget does not request continued funding for the Real Choice Systems Change Grants

³ Includes \$33 million for Real Choice System Change Grants.

⁴ Requires \$25 million in spending on Real Choice System Change Grant program

⁵ Health services research dollars as reported by the NIH
